

Alveley Historical Society

Minutes of the meeting held on 15th March 2018

Present: Bill Scriven, Stuart Hunt, John & Carol Wall, Hilary Fleming, Barbara Spragg, Pam & Keith Stanton

Apologies Margaret Clayton

Minutes of Last Meeting: accepted

Finance: Stuart gave Pam a cheque for £31.95 for materials purchased for mounting the photographs for the exhibition. He said that left the society with a balance of £751.45

Projects: The exhibition is progressing quite well. Pam showed the meeting the signs she has made to advertise it and other signs that will be needed on the day. These met with approval. Bill left more photos with Pam to use if there is enough time to prepare them.

The Web Site

Bill showed the meeting copies of web site enquiries to see if anyone could help with these. Most of the members had already seen them as Chris Noble sends the same e-mail asking if anyone can answer the queries to all in the society.

Public Footpaths

Keith showed the meeting a map of footpaths 49, 52 & 53. It is proposed to divert footpath 49 to skirt the garden of the Mallards near Pool Hall. Paul Thompson has looked at this diversion and recommended that the Parish Council accept it. There is also a proposal that footpath 52 should be extinguished as there is now a fishing pool across the path. Footpath 53 links 49 and 52 and is also proposed to be extinguished at the same time. The Parish Council has objected to both of these on Paul Thompson's recommendation.

Members discussed footpaths at length acknowledging that Paul Thompson is working hard on these.

The Village Planters

Keith reported that the Parish Council has agreed that the Historical Society can take responsibility for the planters and that the Parish Council will meet the costs of maintaining them
